Choose a gift they will enjoy

A milestone can be personal, practical or quietly marked. Confirm preferences first; use the companion article for 25 ideas. Nothing here is a product test or treatment recommendation.

Occasion / recipient: _____ Date: _____

My total spending limit, including extras: $_____

Before choosing

Do they want sobriety mentioned, or a neutral gift?

What interest or wish have they actually shared?

Would they prefer private delivery, an outing or another arrangement?
